

Menara JKG

- Description:**
- Address:** Jalan Raja Laut
- Menara JKG is a corporate & business landmark in the heart of Kuala Lumpur Central Business District. It is a Grade-A intelligent office tower integrated with only the highest quality fittings, features and amenities.
- Every aspect of the tower has been carefully planned with our tenants' requirement in mind. It is designed to provide a truly versatile corporate workspace equipped with services and intelligent technologies for multi- functional businesses. That is what sets Menara JKG apart from the rest.
- In 2018, JKG Tower picked up 2 accolades from the International Property Awards (IPA) for Best Office Architecture Malaysia and Best Office Development Malaysia.
- In the same year, 2018 JKG Tower received its full MSC Cybercentre status from Malaysia Digital Economy Corporation (MDEC). As an MSC Cybercentre, JKG Tower is now able to extend facilities and incentives offered by MSC Malaysia to MSC companies. These include the Bill of Guarantee (BOGs), a set of incentives, rights, and privileges that reflect the Malaysian Government's commitment in providing an environment that is conducive to the

development of businesses, and subsequently, a digitalized economy.
